

'Project' Norwich

NORWICH

Client • Luminar Leisure Ltd

Working from a 22,000 sq ft developers shell, the complete fit-out of this first floor nightclub was completed in 18 weeks.

The layout comprised a chill bar, a VIP bar and a Karaoke bar including a flexible main room to host sporting events. Essentially we formed two venues by the use of various partitions and ceilings, substantial sound systems and specialising lighting effects.

Finishes included PVC stretch ceilings, a timber jenga feature ceiling, the construction of graffiti walls, feature booths and all mechanical and electrical installations.
