

Alexander Pope Hotel

TWICKENHAM

Client • Young & Co's Brewery plc

In order to enable the hotel to continue trading during the whole of the eight week contract period, the work was scheduled to minimise inconvenience to guests and to maintain kitchen facilities and safe access for staff throughout. The works entailed the construction of a frameless glass extension whilst the bar/restaurant facilities continued for the first five weeks. Extensive refurbishment was carried out to the conference room, hotel reception areas, toilets, 17 bedrooms and associated corridors. During the final three weeks the restaurant and bar was closed for a full refurbishment including new floor and wall finishes, new joinery, fixed seating, new electrical and mechanical services and the construction of a new external patio.
