

Lambert Arms

ASTON ROWANT

Client • Merchant Inns Ltd

A complete strip-out of the existing buildings was followed by extensive structural alterations to upgrade the toilets, enlarge the kitchens and provide a function room and bar. An extension was added to form meeting rooms and conference facilities.

A new two storey timber-framed hotel was then built to accommodate 35 en-suite bedrooms, a gymnasium and a treatment room. Despite some unforeseeable complexities to the groundwork, the entire project was completed on time.
