

the FOLEY Arms

ESHER

Client • Young & Co Brewery

We were asked by Young's to alter and extend a large public house and build a new boutique hotel with a fine dining restaurant. The project required substantial preliminary demolition followed by structural alterations to form a function room and its kitchen extension. The new adjacent hotel building has 17 bedrooms and a large car park, all set in newly landscaped grounds. These works were completed in 36 weeks.
