

# The Ivory Rooms

BILLERICAY, ESSEX

Client • Quilters Leisure Ltd

We were asked to convert an old 'school concept' Public House into a very stylish and luxurious night venue. Preliminary work entailed a complete strip-out and re-construction of an old conservatory, two large extensions and extensive external works.

We were then able to create a new restaurant, extend the kitchens, build five bars and function rooms and complete the conversion into a very attractive night spot in just 15 weeks.
